- Doris Pierce came before the Board with two questions. The first being fences around pools in the community particular the one adjacent to the FCB bank. . Her second question involves homeowners parking their vehicles in the yards. Brenda Williams states they will look into it.
- Joyce Erno asks the Board what were the hours for solicitation. This led to a long discussion concerning the matter to include the fact that person's cannot solicit without a Village permit, safety concerns for children and the elderly and Chief Moore letting her know if she has anymore issues like this to call the Caseyville Police Department.
