- Gary Crowe is checking with St Clair County to verify owners of homes and properties in Caseyville. It is a never-ending battles with ordinance violations, problem homes, trash clean ups, homes not up to standard properties. We do have an owner in town of about 20 homes and 10 of those homes are problems. We need to figure out something on these repeaters, other than giving them tickets time, after time.

Public Works/Building-Wally Abernathy

- Approval to allow the Metro East Air & Health hold a seminar at the Caseyville Community Center free of charge on Friday, October 18, 2019
