

WERE YOU IMPACTED BY THE St. Clair County Disaster?

Endeavors provides client-focused services for Illinois residents impacted by the 2022 Illinois Severe Storm & Flooding Disaster (DR-4676-IL). From operating safety shelters and facilitating evacuation efforts to providing home repairs, new furniture, and clothing, Endeavors' Case Managers work ceaselessly to help in any way we can.

We are here to help you.

- Recovery plans for individuals impacted by presidentially declared disasters
- Coordination of referrals to volunteer groups involved in disaster recovery and construction
- Partnering with your local Long Term Recovery Group to access funding for unmet needs
- Ability to work with families and individuals to develop recovery plans and work towards full recovery.

Endeavors has helped more than 4,205 families recover from natural disasters across the continental United States, and Puerto Rico. While we can't offer direct financial aid, we're here to support you every step of the way. Our team works tirelessly with local organizations to help you navigate the complexities of recovery. We advocate for your access to funding, assist with applications, and coordinate supplies and labor for home repairs. Together, let's rebuild stronger.
