Police Chief:

- Code Enforcement has really stepped up. Mainly for high grass, junk yards and derelict vehicles.
- Applied and received a \$5,000 Grant for in-car cameras.

Superintendent of Public Works:

- \$25,000 Park Grant is due July 16th, 2021. Going to purchase 2 Zero Turn Mowers and whatever monies leftover possibly purchase a couple of weed eaters and blowers.
- Ordered additional black signposts and signs for 157, Long St. and side streets, which is part of the Beautification Project.
- Will review the bids for the North Long & South Long pavement overlay projects and get back to the Board for approval.

Attorney Kevin Kaufhold:

- Public Building Commission – Meeting next week, with a limited request, we did not make this timeline. July/August will set-up meetings to make timelines for Building Code Revisions, possibly 3. These will be effective upon Board approval.
- Explained additional steps for the Trash Service proposals. Still trying to obtain residents guidance as to wants and needs. Would prefer a 2 year contract where there is time to update what is working and what is not working. Trying to have decisions made by end of Summer with the Board making the final decision, which can be done without the residents being able to sue; according to State Law.
- Executive Session is needed after Committee Meeting.

Adjournment:

A motion was made by Wally Abernathy, seconded by Dan Cary to adjourn the meeting and go into Committee.

Voting on Motion: - 5 Ayes; 1 - Absent Motion Passed

Meeting adjourned at 7:28 p.m.
