Ordinance

- Relook the use of Side-by-Sides within the Village, possible to do on a trial basis. They would require safety kits, seat belts, insurance, registrations, driver licenses. Kevin has done some initial research, the Village has the authority to regulate on Village roads. They would not be able to cross 157 or drive on 157, as that is a State Highway and there could not be any off-roading. The vehicle has to be like a real car, fully electronic. Kevin will work on a draft ordinance, if we want to place on the Agenda. Right now No All-terrain Vehicles are allowed on Village roads

Planning/Zoning:

- None

Police:

- Trying to purchase 10 Portable Radios, as the current Motorola Radios are 20 years old. They can currently get a discount of \$14,000, which leads to a \$25,000 balance; at which time this monies will come from the Drug Forfeitures. If additional money is needed, will present to the Board. Six old radios will be used as back-ups.
