Ordinance:

- Would like to review the Executive Session/Closed Meeting Minutes from 5/5/2021 thru 5/18/2022 (8 meetings were held). Will get with Dan & John to review these minutes and then bring to Board for final decision.
- Food Truck Ordinance – currently working on new regulations. Is there going to be certain time of the Year they can operate? At this time, we would allow all year long, sure the weather would be a factor in availability; possibility if he gets approval from Tyson to be there and they are open all year round. Along with this ordinance, how can we fit in Public Events at the Park, especially with all the different vendors, would like to require Background checks for all Vendors, so we know who they are, what they are selling. All Vendors should have to apply for Special Use Permits to maintain records of who we have in the park. Also, since

Ordinance (cont.):

- the Village owns the park, they would have to get in writing the approval for the event. Event organizer should be responsible for park clean-up, Police patrol, and any overtime expenses incurred by the Village Park Department. The festivals at the park are great for the Village, but there needs to be limitations/regulations. Also, may need to have a cap on Vendors, based on parking availability at the park. Also, availability will be considered based on the Pavilion availability, if they are already reserved, does this impede on those trying to have a family or quiet celebration. Have a park application and then Chief could run background checks on Vendors.

Planning/Zoning:

- Received Solicitors Permit Application from ProPryo Inc. wanting to sell fireworks on the corner of KFC, this will be approved upon contingency of Background check and payment of permit.
