Administrative/Communications/Technology:

- None.

Annexation:

- None.

Emergency Management:

- What is done? What can be done? There are issues we need to address, and we will work with the Committee members to accomplish. In the Appropriations is the Police Department and one of the things I feel needed is more storage of items that are needed for emergencies. Also, Engineering is still being done on the Police Department facility. One thing I think we really need to push is Please Evacuate, Don't Stay during emergency situations.
- Brian Rader and Police Department mobilized Agencies very quickly, Red Cross arrived at Community Center with supplies (blankets, pillows). St. Clair County Food Pantry provided snacks, water, etc.
- You can get a Code Red announcement on your phone, directly from St. Clair County 911 Emergency Management, I highly recommend signing up.

Finance/TIF/Grants/Insurance:

- None.
- Currently working on getting financial assistance with Fuel that is being used in the pumps from the State. Brian advised this should happen.

Ordinance:

- None.

Committee Meeting Minutes August 3, 2022 (cont.)

Planning/Zoning:

- Have received notice from EPA that SCI Engineering will be testing and drilling holes around tanks. Hopefully everything will be fine. Candi Eaves does this need to be placed out for bidding? Brian advised that the cost is under bidding requirements.
- Business License for Tacos El Samurai has a letter from property owner Mike Reichert to place on his So. Long Street property (back part of Woody's parking lot). Will need to advise his hours per the Food Truck Ordinance.

Police:

- None. Can't thank everyone enough for their assistance and the assistance that was happening behind the scenes.

Public Works/Building:

- Place on Agenda the purchase of 2 Service Trucks, 1 for the Street Department and 1 for the Water Department. These are currently accounted for in this year's budget.

Special Events:

- None.

Cemetery:

- None.

Adjournment:

Meeting adjourned at 7:31 p.m.
