- None.

Emergency Management:

- Levee Update was done with Fox 2 News on Monday. Attorney Stewart advised the issue is with the Railroad Tressel, between Little Canteen Creek and Hardin Ditch. Senator Erica Harriss has been advised of the Village needs to get a Resolution to this issue and will hopefully provide some legislative support. I will also be attending the IML Conference this week and will do some one-on-one to obtain some regional solutions.

Finance/TIF/Grants/Insurance:

- None.

Ordinance:

- Attended a Mayor's Round Table to discuss municipality issues, there were 20 individuals in attendance, and this is where I met Senator Erica Harriss. One main issue of these municipalities is the Clothing Drop-Off Boxes, how to regulate, maybe require Business Licenses so the owner is known and can take responsibility for upcoming issues. The Village has already removed these boxes.

Planning/Zoning:

- None.
