Ordinance:

- Amend the current Liquor License Ordinance to reflect "Churches", pay a yearly fee for so many events per year. They would have to obtain a Special Use Permit against the Liquor License, so it is documented during the event, and this would help with how many events they had that year. Not sure it should only be \$100.00 per year. Other municipalities are double of our Liquor Licenses (\$1200 to \$1500, compared to our \$600 to \$700).
