COMMITTEE REPORT:

Administrative/Communications/Closed Minute Review:

- Agenda - Closed Meeting Minutes Bi-Annual Review is required for 3 meetings.

Annexation:

- Currently researching a Far Oaks Pre-Annex, along with other properties along Bethel Mine Road, done back in the mid 2000's, to explore when it expires. This needs to be done aggressively to pursue the property that reaches the Village limits, otherwise this will have to be pursued for each property by the owners.
- Working with District 189 regarding property within Village Limits around Bunkum Road. They did express an interest, so a letter was sent and just waiting for a response.

Emergency Management:

- None.

Finance/TIF/Grants/Insurance:

- Currently working on the 2025 Appropriations Budget. Hope to have a Public Hearing and Ordinance ready by the 1st of August.
- Agreements with TIF III payback? Unit 10 is trying to pay in full. Payment has not been received.

Ordinance:

- None.
